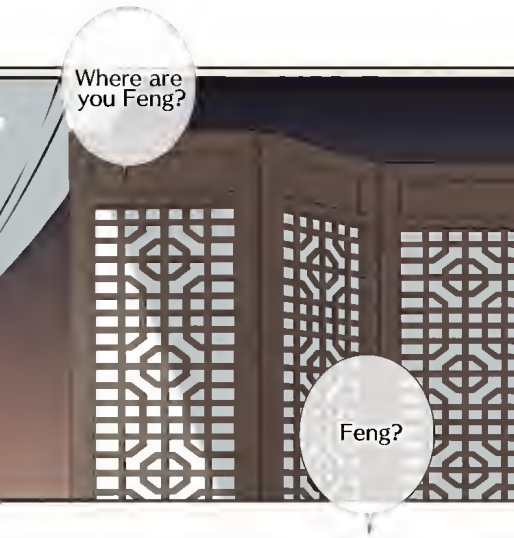
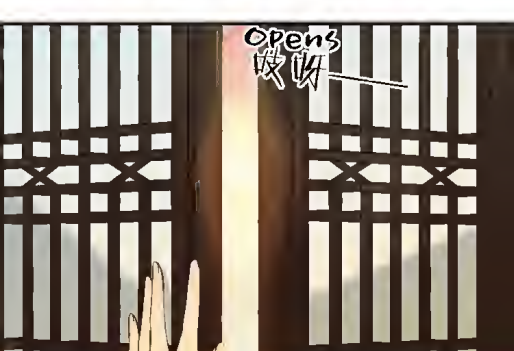
Ugh so dizzy...

Feng?

Leaps



Where are you Feng?
Feng?



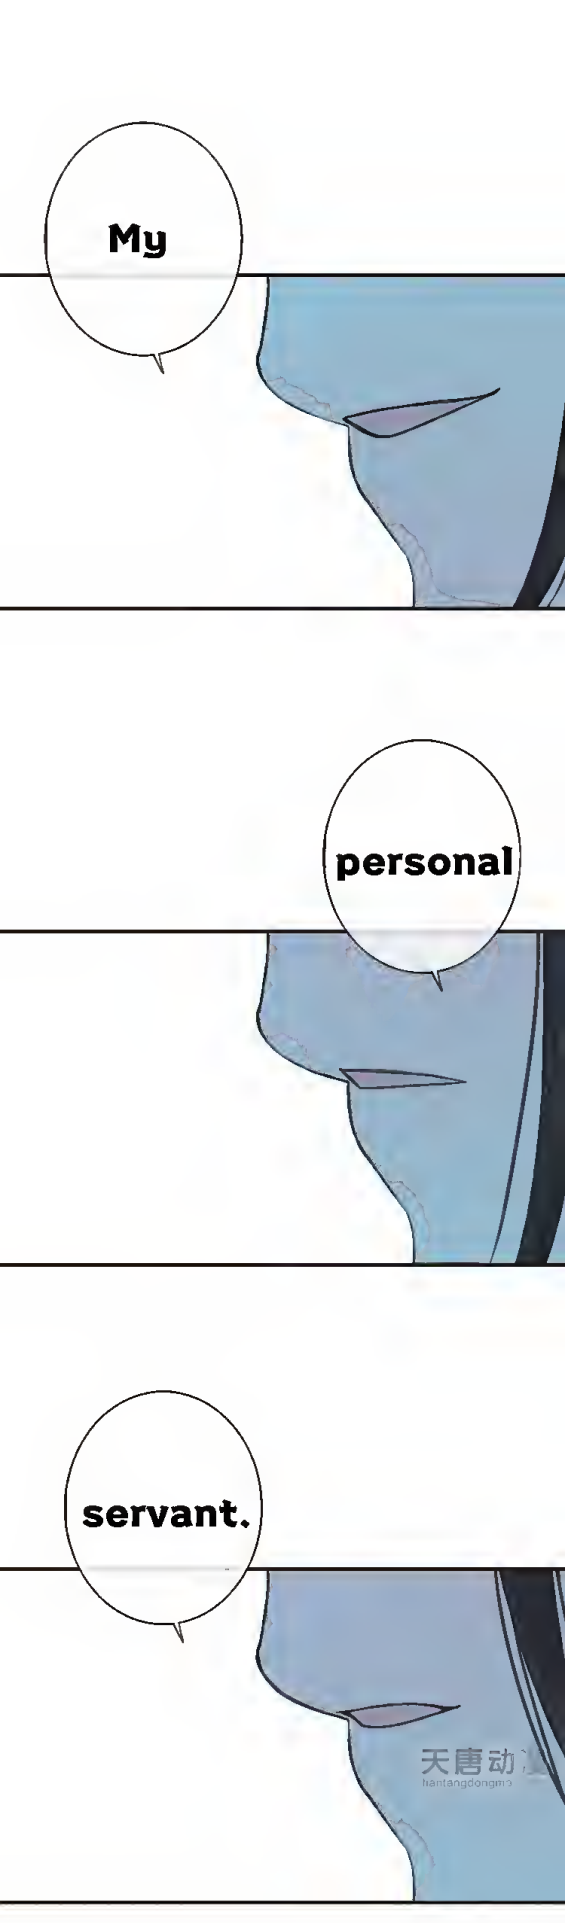
Opens
吱呀

Miss you're awake!

What are you doing with this demon?
Um!

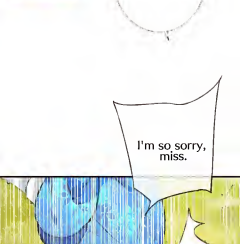
Although I don't really care how you refer to me,

now that you are subordinate to me-
Huh?! What do you mean?!
Oh that's right you still don't know! Now you are-



My
personal
servant.

What? Have you lost your mind?!
Hands off!
Why don't you ask your maid?



I'm so sorry, miss.
Thump

By my own authority I used your signature and sold you as a servant while you were unconscious!
You did what now?!

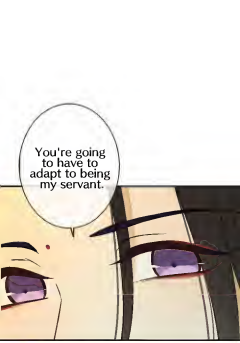
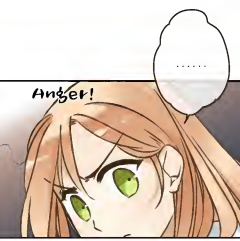
It was in order to obtain from that lord, no that demon, this life-saving medicine!
That's the truth!

Feng, I'm so confused, I'm not sick!

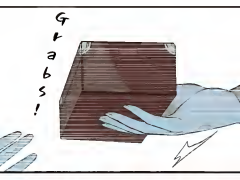
You still won't admit defeat. How far are you going to push yourself in your condition?



You're going to have to adapt to being my servant.



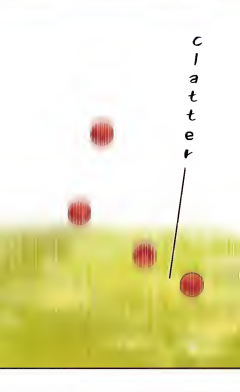
.....
Anger!



Grabs!

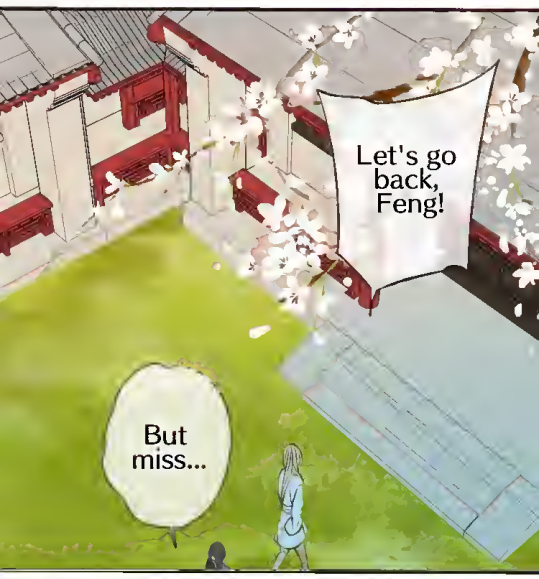
Here you can have this back! I won't take it!

And I'm NOT going to be your servant! Beat it!



Clatter

. . . . . .



Let's go back, Feng!
But miss...

Hold it right there.

Huh?!

Uwaah?
Lifts up

Foul demon, what do you think you're doing? Put me down immediately!

You just don't get it!

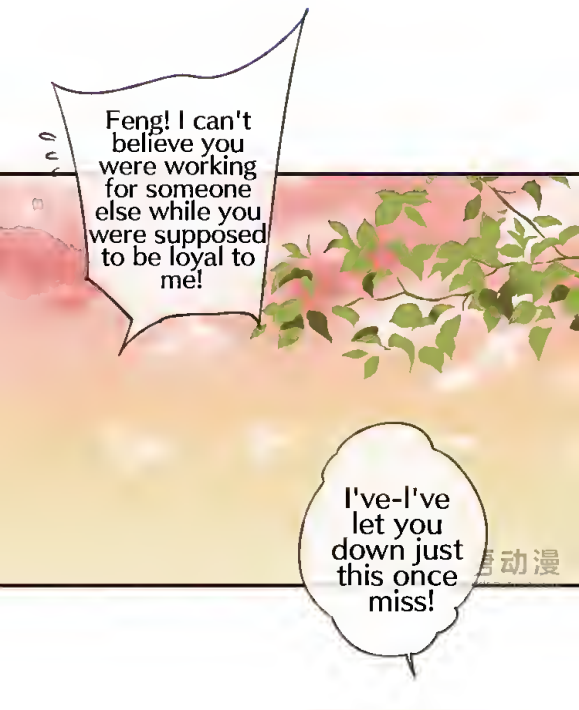
If you won't come by yourself I'll just have to carry you.

Spank Spank!

If you don't obey orders you'll get a spanking!

You! You shameless bastard!

Are you just going keep standing there in a daze? Tidy up your lady's things and bring them here. Right away!
Doesn't even know what to say
Aye aye, sir!
How could he spank my lady's butt!



Feng! I can't believe you were working for someone else while you were supposed to be loyal to me!
I've-I've let you down just this once miss!
